

HD sound completes the picture

Radius^{HD} series

We've enhanced the world's original 'hi-fi' sat/sub speaker systems with new technologies to deliver all the rich dynamic detail of HD audio in a style that's perfect for every room. New Radius^{HD} provides pin-sharp contemporary design across nine models and in a choice of luxury lacquer and real-wood finishes.

R90HD10

"Stylish, discreet and flexible design; very clear, solid and large delivery; awesomely authoritative subwoofer"

- What Hi-Fi? Sound and Vision November 2008
